DUES DEDUCTION

Upon receipt of a lawfully executed, written authorization (Schedule C) from an employee, which may be revoked at any time by giving thirty (30) days written notice, the Board agrees to deduct the Association dues and/or other charges of such employee from his/her pay and remit such deductions by the fifth (5th) day of the succeeding month to the official designated by the Association in writing to receive such deductions. The Association will determine the total of such dues and/or charges to be deducted and verify same to the Board in writing. After notification from the Association the Board shall deduct one-eleventh (1/11) of the total dues and/or other charges of each employee from his/her salary each month October through August. Requests for such deductions shall be filed with the Board by September 20 of each year.

The Association agrees to indemnify and hold the Board harmless against any and all claims, suits, order or judgments brought or issued against the Board as a result of any action taken by the Board under the provisions of this Article.

SCHEDULE C

I, hereby authorize and direct the Linn-Mar Community School District to deduct from the wages earned by me or to be earned by me the prevailing dues as certified by the treasurer of the Linn-Mar Education Association in equal installments in payment of professional dues to the Association. Said payroll deductions shall begin September 1 of each year and shall be remitted monthly to the Linn-Mar Education Association. The authorization is good unless cancelled in writing by giving thirty days written notice to the Board and the Association and is good for any changes in dues that may be authorized and certified to the Linn-Mar Education Association. In the event my contract is terminated, the balance payable will be deducted from my last check unless waived by the Linn-Mar Education Association.

ARTICLE 3

WAGES AND SALARIES

A. Placement on Salary Schedule

1. Each employee shall be placed on his/her proper step of the salary schedule as of the effective date of this agreement and in accordance with paragraph 2 below. Any employee hired prior to the beginning of the second semester of any school year shall be given full credit for one (1) year of service toward the next increment step for the following year.
2. Credit shall be given for previous outside teaching experience in a duly accredited school upon initial employment. Determination shall be made by the superintendent.
3. All contracted, regular part-time employees shall receive a salary proportional to the amount of time employed for his/her step on the salary schedule.

B. Advancement of Salary Schedule

1. Except as otherwise provided in this Article, employees on the regular salary schedule shall be granted one (1) increment or vertical step on the schedule for each year of service until the maximum for their educational classification is reached. A year of service consists of employment in the Linn-Mar Community School District for one (1) semester of consecutive teaching days or more in one school year.
2. Educational Lanes

Employees on the regular salary schedule who move to the BA+12, BA+24, MA, MA+15, MA+30 or MA+45 Lane will advance one vertical step if available on the higher lane. Employees moving from the last step of BA+24 will advance a maximum of 2 steps if eligible. (Eligibility is defined as being on the last step of the BA+24 lane for 2 years or more.) All courses to be used for salary advancement are to be approved by the superintendent prior to the employee enrolling in the course, whenever possible. Advanced degree to be used for salary advancement must be in the field of education. Any other advanced degree may be used for salary advancement if approved by the superintendent. For an employee to advance from one educational lane to another, the employee shall file suitable evidence of additional educational credit with the superintendent, using Schedule G, no later than the second day of workshop of each year in which he/she is eligible to move.

The individual employee contract will not be changed until all official verification, including the official transcript has been received (by December 15). Pay adjustments will then be made retroactive to the beginning of the same school year. No pay adjustment will be made if all official verification, including the official transcript, is not received by December 15.

Wages and Salaries (continued)

3. In-Service Credit

Professional credit programs offered by approved schools and area education agencies may be substituted for the courses to be used for advancement on the salary schedule as shown in (2) above. Credit will not be limited except that for every semester hour credit received through approved schools and AEA there will be at least one (1) semester hour of credit from a graduate school. The determination of the 1 to 1 ratio will take place at either a horizontal change on the salary schedule or at the determination to hold an employee on step. In the movement from one lane to another lane, it is the total number of hours earned after the degree that is used to determine the 1 to 1 ratio. Only credit earned after awarding of degrees can be used to qualify for steps beyond that degree.

C. Method of Payment

1. Pay Periods

Each employee shall be paid in twelve (12) equal installments on the twentieth (20th) of each month. Employees shall receive their checks at their regular building and on regular school days unless otherwise designated by the employee.

2. Exceptions

When a pay date falls on or during a school holiday, vacations, or weekend, employees shall receive their pay checks on the last previous working day, whenever possible.

3. Final Pay

When an employee is leaving the District, the District or the employee shall have the option of paying/receiving all or part of an employee's earned, contracted salary on the last pay period of the in-school year. An employee who has special need shall have the option of receiving all earned, contracted salary on the last pay period of the in-school work year; provided, the superintendent has been notified prior to April 20 and gives his/her approval.

4. Summer Checks

Summer checks shall be mailed to the address designated by the employee.

5. Compensation for summer employment shall be determined as follows:

- a. Those employees working with students and/or providing professional services provided during the regular school year will receive 1/191 of their scheduled salary for each day of service. Equivalent employee services will be judged by administration. Their scheduled salary is figured on their placement on the salary schedule for the current school year.
- b. All other employees will be paid on an hourly basis. The hourly rate will be 1/1146 of the base salary for the 2005-2006 school year.

Wages and Salaries (continued)

- c. Compensation for additional employment shall be determined as follows:
1. Curriculum development and requirements will be determined by the administration and a payment schedule by project for same will be developed. The schedule will be developed by the administration and will be based on the total anticipated hours required to complete each project. The project amount will be based on 1/1432.5 of the average bargaining unit salary on Schedule D.
 2. Curriculum development requirements will be mutually agreed to by the administration and the employee previous to the implementation of project work by the employee.
 3. Driver Education shall be paid on a separate schedule of hourly rates developed by the administration. Effective June 2005, the hourly rate will be \$25.00 per hour.
 4. Employees will be paid 1/1432.5 of the average bargaining unit salary on Schedule D for each hour of in-class staff development instruction and will be paid at the same hourly rate for preparation time. Employees will be granted one (1) hour of preparation time for every hour of in-class instruction.
 5. The LMEA and the school board shall mutually agree to Phase III modification to maintain consistency with this article.

Co-Curricular Activities

Approved Activities and Rate of Pay – The Board and the Association agree that the co-curricular activities listed herein are official school sponsored activities covered by school insurance. Employees in co-curricular activities shall be compensated according to the rate of pay or other stipulations listed herein, except for those individuals notified prior to the beginning of the new season of being placed on probationary status. Employees shall be placed on probationary status only after established evaluation procedures have been followed.

Those employees assigned co-curricular activities shall receive compensation at the level determined for their preceding year's service during the time of formal probationary status.

Evaluation of Performance

Evaluation of performance of individuals with co-curricular assignments will be done by an administrator, using criteria developed by the Administration and communicated to the co-curricular staff prior to the evaluation process. Procedures for evaluation of co-curricular staff designated as head coaches, director, or sponsor in Category C and above will be the same as those used in the evaluation of certified staff. Evaluation of employees designated as head coach, director or sponsor in Category D or below will be on abbreviated procedures, using similar criteria as defined by Article 12, Evaluation Procedure.

The head coach, director or sponsor in a co-curricular activity or a designee approved by the administration will assess the performance of employees in the same activity that are in a lower category. The results of that assessment may be used to determine the need for an evaluation by an administrator, but cannot be used in the administrator's evaluation of the employee.

A benefit specification form will be required from each employee.
3. In the event an employee does not have accumulated sick leave in an amount sufficient to extend through the one hundred twentieth day of disability, the Board would make disability payments at the rate as defined by the carrier beginning on the thirty-first day of disability, up to and including the one hundred twentieth day, at which time (on the one hundred twenty-first day) the employee would be covered subject to the terms of coverage as defined by the carrier. The district shall not be liable for payment beyond the one hundred twentieth day of a disability. The definition of what constitutes a "disability" shall be that used by the insurance carrier.

Those employees having sufficient accumulated sick leave to extend through the one hundred twentieth day, would be subject to coverage as defined by the carrier. However, in no event would the total sick leave pay and disability pay exceed the employees contracted salary daily rate.
4. The Board-provided insurance programs shall be for twelve (12) consecutive months. Coverage periods, coverage requirements, and dates of premium payments necessary for such coverage shall be determined by the insurance carrier (company). Changes in practices may be made pursuant to any mandated changes made by the carrier. If changes are announced and implemented by the insurance carrier, the parties will meet to determine a course of action.
5. Part-time employees shall receive full insurance benefits, subject to terms of the insurance carrier, except for the health and major medical insurance of which they will receive a pro-rata share of the **\$549.00** monthly benefit to be applied toward the premium. Part-time employees will be required to purchase the minimum single Health and Major Medical Insurance only if their pro-rata share is equal to or greater than the premium.
6. Absence due to injury or illness incurred in the course of the employee's employment shall be covered by Worker's Compensation. Upon request by the employee, the Board shall pay the employee the difference between Worker's Compensation and the employee's regular weekly salary, beginning with the first day of disability. The total of such pro-rated salary payments will be charged against the employee's accumulated sick leave.

ARTICLE 6

Employees on continuing contracts, who were not hired to replace employees on leave, shall be placed on staff reduction leave and granted leave and granted recall rights according to paragraph F of this Article.

Employees hired to replace employees on leave will not be placed on staff reduction leave, and will not be granted recall rights.

Staff reduction leave shall be without pay or paid benefits and shall be effective at the end of the current contract of the affected staff member.

B. Notification

If the Board is contemplating the reduction or realignment of any position(s), it will so notify the Association at least sixty (60) days before the proposed effective date of the layoff (Staff Reduction Leave). If employees are recalled to a position for which their certification is more than five (5) years old, the district may require them to obtain up to six (6) semester hours of coursework in the field within two years of initial placement in the position.

Employees shall be recalled to available positions in reverse order of placement on Staff Reduction Leave. The offer of such position by the District shall be sent by certified mail and shall be accepted or rejected, in writing by certified mail, within fourteen (14) calendar days of receipt. The employee must be prepared to assume the position within thirty (30) calendar days after the date of acceptance. Failure on the part of the employee to meet either of these requirements may be considered by the district as grounds for termination. The 30-day requirement may be extended by the superintendent.

Any employee re-employed by exercising his/her recall rights shall be placed on the next sequential salary step when he/she resumes teaching, except as provided in G below.

Upon being recalled to less than a full-time position, any former full-time employee shall have the right to refuse that assignment if they are employed in a full-time position equivalent to a bargaining unit position at Linn-Mar. Non-acceptance of said assignment shall not waive the former employee's recall rights or placement on the seniority list.

G. Credit

Any former employee re-employed by exercising his/her recall rights shall be given credit for training and experience, subject to the restrictions of Article 3, he/she has obtained through other employment during the interim period.

A. Voluntary Transfers

1. Vacancies (including co-curricular positions) shall be posted in each building as soon as possible, and at least seven (7) calendar days before the position is filled. They should furnish a mailing address where they may be contacted should the position become vacant. Before the close of the school year, employees will be notified on where the vacancies will be posted during the summer. 1. Applications

If any employee plans to enroll in a course or seminar at an accredited college or university and if that course will cause an educational lane change on the salary schedule, the employee must file written notification of enrollment with the superintendent or his/her designee prior to his/her enrolling in such course or seminar.

2. Remuneration

Upon successful completion of any course or seminar, the employee shall provide evidence to the superintendent or his/her designated representative by September 1st of the current year so that the employee may receive appropriate credit toward an educational lane change on the salary schedule.

B. Professional Conferences

Employees who desire to attend professional conferences shall make initial application at the building level. Acceptance shall be determined according to building/district goals and funds available. Travel, meals, lodging and registration fees, as approved by the administrator or designee, shall be deemed appropriate expenses for reimbursement.

C. Travel

A planned program of professional development through travel may be sustained for graduate credit. This program must be for credit through an accredited college or university. The amount of such credit allowed shall be limited to six (6) semester hours during each five-year (5) period. Approval of the travel activity plan and evaluation of the amount of credit allowed will be made by the superintendent.

ARTICLE 14

SENIORITY

A. Definition

Seniority shall be defined as the continuous length of service within the District. Approved leaves of absence, both paid and unpaid, including Staff Reduction Leave, will not break the continuity of employment. However, the time spent on paid and extended leaves will not be counted as time of employment.

Employees who work one-half time or more shall be credited with one year of seniority for each year they work.

Employees who work less than one-half shall be credited with seniority proportional to the time they work.

B. Ranges of Seniority

For the purposes of this contract, employees shall be grouped into three seniority ranges:

1. The first and second years with the district, as defined in A above.
2. The third and fourth years with the district, as defined in A above.
3. The fifth year with the district and beyond, as defined in A above.

C. Determining the Most Senior Employee

If two or more employees have the same seniority as defined above, the order of seniority among them shall be determined by the amount of contracted educational experience, including school nursing, outside the District.

If two or more employees still have equal seniority at this point, the relative order of seniority among them shall be determined by drawing lots.

D. Seniority Lists

By October 20 of each year, a seniority list, defined by this Article, shall be given to the Association.

E. Subject Matter Area and Grade Level Assignment

The following subject matter area and grade level assignment list shall be used in this contract.

SUBJECT MATTER AREA AND GRADE LEVEL ASSIGNMENT LIST

Any employee under contract during 1993-1994 shall retain seniority in the subject matter area and grade level assignment as listed in the '93-94 master agreement as long as that employee is duly certified by the State of Iowa. If during the course of recertification an employee loses certification at a grade level, that employee then becomes part of the seniority category for which he/she is certified.

GRIEVANCE PROCEDURE

A. Definition

1. A grievance filed under Type 1, as shown in "Grievance Types" below, is a claim by an employee, group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provisions of the master agreement.
2. A complaint filed under Type 2, as shown in "Grievance Types" below, will cover complaints outside the master agreement.
3. Binding arbitration shall mean the hearing and determination of a case in controversy by a person chosen by the parties.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees, or the Association. Both parties agree that these proceedings will be as informal and confidential as may be appropriate at any level of procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of an employee or the Association to act on any grievance within the prescribed time limit shall constitute a waiver of the alleged grievance and will act as a bar to further appeal. However, the grievant shall be allowed one five (5) day extension of time, if desired, on any alleged grievance to proceed to the next step. An administrator's failure to give a decision within the prescribed time limit shall permit the grievant to proceed to the next step. The time limits may be extended by mutual agreement.

2. Grievance Types

There will be two (2) different grievance procedure types. Type 1 will cover all grievances that concern the master agreement. Such grievances may be processed through all levels of this agreement and will be subject to binding arbitration.

Type 2 will cover complaints outside the master agreement. Such complaints may be processed through Level 3 below of this agreement and will not be subject to binding arbitration.

If an employee files a grievance under Type 1, the Board shall not be required to process the same claim or set of facts through the Type 2 complaint procedure, or process Type 2 complaints through the Type 1 grievance procedure.

Any grievance or complaint shall be filed on the forms set forth in Schedules A or B.

Grievance Procedure (continued)

3. Year End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in the grievance procedure by the end of the school year and if leaving it unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limit set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) calendar days thereafter. This shall apply only to grievances formally filed in writing by twenty (20) working days prior to the end of the school year except by mutual agreement of the Board and the Association. Grievances filed later than twenty (20) working days prior to the end of the school year shall be processed during the next school year with non contract days being excluded from the time limit, except as mutually agreed to by the parties.

4. Level 1 – Principal or Immediate Supervisor (Informal)

The aggrieved party shall discuss the grievance with his/her principal or immediate supervisor with the objective of resolving the matter informally. This discussion must take place within ten (10) working days from the day of the occurrence or knowledge of the occurrence of the event giving rise to the alleged grievance.

5. Level 2 – Principal or Immediate Supervisor (Formal)

If, as a result of the informal discussions at Level 1, a grievance still exists, the aggrieved party may invoke the formal grievance procedure by completing the form listed in Schedules A or B. The written grievance shall state the nature of the grievance, spelling out the specific clause or clauses of this agreement which have been allegedly violated, misinterpreted, or misapplied and shall state the remedy requested. A copy of the grievance form shall be delivered to the principal or immediate supervisor involved in Level 1 within five (5) working days of the Level 1 discussion.

If more than one (1) building principal is involved, each shall receive copies of the alleged grievance. Within five (5) working days after the principal receives the written grievance, a meeting at a mutually agreeable time shall be held with the aggrieved and his/her representative, if requested, to discuss the alleged grievance and attempt to resolve same. The principal shall have the right to have a representative or designee at the meeting. The principal or immediate supervisor shall render such decision and communicate it in writing to the grieving employee and the superintendent within five (5) working days following the meeting (or the date the grievance is received if no meeting is held) between the principal and the aggrieved.

Grievance Procedure (continued)

6. Level 3 – Superintendent (Formal)

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved, if he/she so desires, may file an appeal of the principal's answer within five (5) working days after receipt of the said written decision with the superintendent and/or his/her representative. Within five (5) working days after written grievance is filed, the aggrieved, the representative of the aggrieved, if desired, and the superintendent, shall meet in an attempt to resolve the grievance. The superintendent and/or his/her representative shall file an answer within ten (10) working days of the third step grievance meeting (or the date the grievance is received if no meeting is held) and communicate in writing to the employee, the principal, and the representative of the employee.

7. Level 4 – Arbitration

If the grievance is not resolved satisfactorily in Level 3, there shall be a fourth Level of impartial binding arbitration. If a demand for arbitration is not filed within twenty (20) working days of the third level reply then the grievance will be deemed settled on the basis of the third level answer. Grievances which have been processed through the three preceding levels of this procedure and only such grievances shall be submitted to arbitration as provided below:

The grievant or the Association shall submit, in writing, a request to enter into such arbitration. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties within five (5) working days said notice is given. If the two parties fail to reach agreement on an arbitrator within five (5) working days, the Federal Mediation and Conciliation Service shall be requested to provide a panel of five (5) arbitrators. This request shall be in the form of a written communication from the grievant or the Association which shall serve as a joint request. The parties shall determine by coin toss which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) working days and the other party shall have one (1) additional working day to remove one of the remaining names. Each party shall alternately strike one name. The person whose name remains shall be the arbitrator.

The decision of the arbitrator shall be submitted in writing within twenty (20) working days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision of the arbitrator shall be binding on the parties.

The arbitrator shall have no power to alter, change, detract from, or add to the provisions of this agreement but shall have power only to apply and interpret the provisions of this agreement to the settlement of issues and grievances arising hereunder.

The cost for the services of the arbitrator, including per diem expenses if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

Grievance Procedure (continued)

Nothing in this section shall preclude an employee from utilizing this grievance procedure on his/her behalf at his/her own expense.

D. Miscellaneous

1. Employee and Association

Any aggrieved person may be represented at all stages of the grievance procedure by his/herself or at his/herself or at his/her option by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at all levels as a party of interest and shall have the right to grieve any adjustment of the employee's grievance if such adjustment is inconsistent or contrary to the provisions of this agreement.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

3. Released Time

When it is necessary for an aggrieved party or an Association representative to meet with the Board, its representatives, or to participate in arbitration hearings regarding a grievance during the work day, said aggrieved person and representative shall be released without loss of compensation. If the aggrieved party is a group of employees or the Association, no more than three (3) employees will be released without loss of compensation, except by mutual agreement.

At any step of the grievance procedure, either party may request the presence of any employee that is affected by the grievance. If the grievance affects a group of employees, the presence of any or all such employees may be requested.

4. Group or Class Grievance

If, in the judgement of the Association, a grievance affects a group or class of employees the Association may submit such grievance in writing to the building principal and the processing of such grievance shall begin at Level 2, unless more than one (1) building is involved, in which case the grievance may be filed at Level 3. The Association may process the grievance through all steps of the grievance procedure and the number of days indicated at each level apply to such grievance.

5. Separate Grievance File

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

Grievance Procedure (continued)

6. Meetings and Hearings

All meetings and hearings, under this procedure, shall be conducted in private and shall include only witnesses, the party in interest, and their designated or selected representative heretofore referred to in this article.

7. No Interruption of Instruction Program

It is agreed that any investigation or other handling or processing of any grievance by the grieving employee or his/her representative shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff.

8. Suspension or Discharge

In the event an employee questions the reason for a suspension or a discharge, the employee shall have the right of appealing the suspension or discharge under the applicable provisions of the Code of Iowa.

9. Election of Remedy

Any grievance action, resulting from the same set of facts that has led to appeal under provisions of the code, constitution, or through an outside agency, shall become null and void upon initial filing of the intent to proceed under the code, constitution, or through an outside agency.

10. Hold Harmless Clause

The Association shall be held harmless against all claims, suits, orders, or judgments brought or issued against the Association as a result of an individual employee misfiling a complaint or grievance.

The employee accused of abuse of students shall be provided a copy of the complaint form alleging the abuse at the same time copies are distributed to the person filing, the parent/guardian, and the employee's supervisor. An employee covered by the collective bargaining agreement has the right to have an Association representative present during questioning by the designated investigator.

ARTICLE 17

COMPLIANCE AND DURATION OF AGREEMENT

A. Separability

Should any article, section, or clause of this agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.

B. Printing Agreement

The Board of Education will share equally with the Association in the cost of printing the Master Agreement.

C. Compliance Between Individual Contracts and Comprehensive Agreement

Any individual contract between the Board and an individual employee, heretofore or hereafter executed, shall be consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

D. Finality and Effect of Agreement

1. This Agreement supersedes and cancels all previous agreements and practices relating to items covered in this agreement between the Board and the Association or any employee, unless expressly stated to the contrary herein and constitutes the entire agreement between the parties, and concludes collective bargaining for its term, except as provided in "F" of this article.
2. The parties acknowledge that during the negotiations which resulted in the Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. The foregoing is not to prohibit either party from introducing items in future negotiating years which were withdrawn by either of the parties to achieve this Agreement.

E. Duration Period

This Agreement shall be effective as of July 1, 2005, and shall continue in effect until June 30, 2007.

Compliance and Duration of Agreement (continued)

F. Procedures for Negotiation

1. Modification of Current Agreement

Negotiations may be reopened on the current contract if either party gives a written notice of intention to negotiate for the following reasons:

- a. In case a serious error or omission is found.
- b. Both parties agree that negotiations should be reopened.

2. Successor Agreement

Either party may give written notice to the other party to negotiate a Successor Agreement not less than one-hundred fifty (150) days prior to the District's budget certification date, as established by the Code of Iowa; or October 1, whichever is later.

Upon receipt of the notice, the Negotiation Team representing the Board and the Negotiation Team representing the Association shall meet for the purpose of negotiation in good faith and attempting to reach agreement.

A mutually convenient time and place for an initial meeting shall be established. Additional meetings shall be agreed to by the negotiation teams as may be necessary to complete an agreement.

3. Meetings

When negotiations are conducted during regular school hours, released time and substitutes shall be provided for the Association Team, with costs shared equally by both parties.

4. Tentative Agreements

Articles tentatively agreed to shall be initialed by each spokesperson and shall be set aside subject to ratification of the agreement.

5. Automatic Renewal of Agreement

If neither party notifies the other of its intent to negotiate a successor agreement by the date stated in Section 2 above, the current Agreement shall automatically continue in force and be in effect for an equivalent period.

Compliance and Duration of Agreement (continued)

H. Signature Clause

ADDITIONAL INSURANCE CONTRIBUTION

The Linn-Mar Community School District will provide, for the 2005-2006 school year, an additional amount of \$243.00 (two hundred forty-three dollars) per month to employees who currently have family health insurance and elect to continue family health insurance or married couples employed by the district who are currently taking two policies, a single and an employee + children and switch to a family plan. This contribution will also be made available to current employees who have a HIPPA qualifying event during the 2005-2006 school year that would make them eligible for family health insurance. It is understood that if offering this contribution to employees who have a HIPPA qualifying event during the year causes the district financial distress due to the number of employees who qualify, future settlements will have to factor in an estimated cost for these employees.

This contribution will not be added to the monthly contribution found in Article 5 of this agreement, which shows up on the employee's pay stub. The contribution will be considered the district's share of the family premium and will be paid directly to the insurance company.

This contribution is not available to employees newly hired for the 2005-2006 school year.
